

## MCSE in Windows Server 2003

## For MCSE International Certification

### MCSE Training Course (instructor led)

- Microsoft's premier networking certification
- Seven exams required to become an MCSE
- MCSE's are qualified to design and implement Microsoft networks
- Course can be done in four weeks only in Cape Town
- We recommend that if you plan to pass exams whilst in Cape Town you allow at least an extra 2 or 3 weeks
- You can do the official exams at a centre in your home town, or at our centre which is authorised to deliver these exams.

### Who should do this course?

- Anyone who has an interest in managing and administering networks
- Students who require an international certification that will be valid anywhere in the world
- Students wishing to get an International MCSE certification
- Anyone wishing to specialize in Microsoft networking

### Course Contents

#### Requirements for an MCSE

##### Core Modules (four required)

##### Electives (one required)

SQL Server 2000 Administration - 70-228  
SQL Server 2000 Database Design - 70-229  
Implementing and Managing Microsoft Exchange Server 2003 - 70-284

### What our instructor led course covers

Our classroom component of the course **covers the four core modules only.** Our history over the last 8 years has shown that if the core modules are done properly, students can pass 7 exams, when combined with our pre-exam test prep CD.

### Specific Electives

If you wish to include a specialist elective such as Exchange Server or SQL Server, you will need to add an extra week, and that module is not included in the standard course fee.

### Frequently Asked Questions

#### Where is the course held?

All training is handled at our Greenpoint training centre in Cape Town, South Africa. Most students that attend however come from US, UK and Africa as well as Europe.

#### What books do I get with this course?

You will receive a set of text books which you can take away with you to keep after the course.

#### How long will it take me to get certified?

It is realistic to expect to pass two to four exams in a five week package and 5 to 7 exams in a 6 or 7 week package. If you have past experience, we have had many students pass all seven exams within 6 weeks

#### What are the dates for the course?

See our schedule page:

[http://www.i2ko.com/Schedule\\_All.html](http://www.i2ko.com/Schedule_All.html)

#### Does the price include the official exams?

No, the exams are not included in the price. Exam prices vary from centre to centre.

#### What about accommodation?

Accommodation is available close to our centre, at a variety of rates, depending on the standard of your accommodation. Our standard accommodation is quoted on persons sharing a 2 or 3 bedroom apartment, each with own bedroom and bathroom. If you require single or hotel accommodation, please request a quote.

#### Can I do the course without accommodation?

Accommodation is entirely optional and is quoted separately to the course fee.
